

## THE “NEW APPROACH TO SUPPORTING THE VOLUNTEER FIRE SERVICE”

We are in dire need of Volunteer Firefighters and Emergency Medical Technicians, and awareness of this situation is vital. The Volunteer Fire Service is our community and it survives on public awareness and community support. The Second Alarm Brewhouse, is a new, one of a kind, non-profit Coffee Shop and is the first 501(c)(3) storefront to focus 100% of its efforts on awareness and recruiting for the Volunteer Fire Service.

We are introducing an “outside the box” approach to awareness. The Second Alarm Brewhouse is a brick and mortar idea that is the first of its kind. We are giving back to the community. We will provide exemplary customer service and will offer a vast selection of quality gourmet coffee during the day and one day, a beer and wine atmosphere by night. The building offers no kitchen but will have a rotation of award winning food trucks offering a unique and diverse food selection. This is a premier location for social gatherings and will provide a sense of belonging in a meaningful way that will make a difference.

Money raised from brick donations will be used for interior renovations and capital improvements to the building. We are located next to an active full service Volunteer Fire Company in Pasadena, MD. Please join the fire service tradition and support your local Volunteer Fire Service. Be a part of creating history by donating a brick and “YOUR SUPPORT IS IN STONE”!

This is a 501(c)3 non-profit organization whose mission is to promote the Volunteer Fire Service full time. “ALL” donations are 100% tax deductible and proceeds go towards awareness and recruiting of the Volunteer Fire Service.
